

RESIGNATION OF CEO

Esperance Ports wishes to advise that it has today accepted the resignation of its Chief Executive Officer, Captain Dennis Parsons.

Captain Parsons has been with Esperance Ports since 2007, and has made a significant contribution to the organisation during that period.

Esperance Ports Chairman - Mr Jim Matijasevich said Captain Parsons had played a significant role in continuing the expansion and enhancement strategy for the port, as well as managing the ongoing response to the lead issues.

"I would like to thank Dennis for his commitment and contribution, during what has been a busy and demanding period for the Esperance Port," he said.

"On behalf of the Board, I would like to wish Dennis all the best for the future."

The Board has commenced a recruitment process for a new CEO.

Mr Matijasevich said Mr Neil Pearson would take the role of acting CEO in the interim period.
